Keeping in touch

Scottish Water and ESD are committed to keeping you and the local community fully informed and engaged with the work we are doing.

We hope today's event has given you an understanding of our plans and an opportunity to discuss any questions or concerns.

Scottish Water is a publicly owned company, accountable to the Scottish Parliament and the people of Scotland. We operate within a strict policy and regulatory framework, but we are making this investment for our current and future customers in this area. We are keen to work with you to minimise any short term disruption this involves.

Volunteering programme

Every Scottish Water employee can take up to 2 days a year to get involved in education, conservation or community activities. Get in touch if there are volunteering opportunities locally that you think could benefit from our support.

We are keen to get involved in the local community, please email ESD directly community@esd.scot with any ideas or information of any local events that you would like us to support.
