Water**

Trusted to serve Scotland

Taking care of your water supply

Welcome to our information event

Scottish Water is investing over £3m in Port Ellen in order to renew the existing network.

The investment will deliver the following benefits:

- Replacement water main.
- A more resilient water supply.
- Reduced risk of unplanned interruption to customers water service

The objectives of today's event are:

- To provide information on our plans
- To discuss how we can manage the impact of our works
- To answer questions and discuss any concerns

We have information on:

- Where work will take place
- What the proposed investment means for you
- What happens next and how you can keep in touch
